Name _____

Telephone _____

Grade _____ School _____

Classroom/Math Teacher _____

Students and their families visit local businesses and learn how they use math in their workplace.

You'll also get a chance to show what you are learning about math in school by answering a math question based on your grade level.

Visit bit.ly/mathforlife2026 for the 2026 Math for Life Participating Business Map.

April is Math Awareness Month!

Each year, the Thurston County Chamber Foundation partners with the North Thurston, Olympia, Tumwater, Griffin, Tenino, Rainier, Rochester, and Yelm school districts to present Math for Life!

Private schools in Thurston County are also encouraged to participate.

All students are invited to participate for a chance to win cool prizes!

All student participants receive:

- Medal
- Chance to win cool prizes
- Entry into Grand Prize Drawing (by school district) to win a laptop!

- All participants will be entered to win a grand prize stay at Great Wolf Lodge including 4 family day passes.

Teachers from each school district whose students participate at the highest rate will win a \$50 gift certificate to local restaurants in Thurston County. Learn more at thurstonchamber.com/mathforlife.

Photos and video may be taken in the workplace or at awards ceremonies to be used for future promotion of this event.

Math for Life

FIVE EASY STEPS TO WIN GREAT PRIZES!

1 Share this flyer with your guardian.
...as you probably need them to go with you!

2 Visit at least 5 businesses listed on the map.

Find the 2026 Math for Life Participating Business Map at bit.ly/mathforlife2026

3 Tell the person who greets you that you are there for the Math for Life event.

Ask them how they use math in their business and answer one of the many questions they will have. Some are easy, some more difficult. If you don't know the answers, try again!

4 Have the business initial their address and thank them.

5 Turn this flyer into your math teacher or class teacher by April 17.

Winners will be announced by each school district before the end of the school year.

Math for Life is a program of the
Thurston County Chamber Foundation.
